* Details to follow	

## Class 3 Beach party

As part of their new topic, class 3 held their own beach party, they also created their own turtles and watched videos of them hatching on the beach.

Our Harvest Festival celebrations will be held on Monday 2nd October at 9.30 in the church. You are all welcome to come along and support. We would like the children to bring in some tinned produce, which the church are going to donate directly to the Petroc centre in Exeter

## Harvest Festival

On Monday there will be the opportunity to drop in to your child's class, to meet their class teacher and see what work they have started this term. These will be starting at 2.30, so please feel free to pop along.

On Wednesday Class 4 were visited by Devon Wildlife Trust to look at Bogs and what they look like and where they are found. They will be working alongside them when they head to Runnage and explore Bogs on Dartmoor.

On Friday a group of our children went down to millennium Orchard for the opening of the new park. The new equipment looks great and I'm sure will get plenty of use from the children in the village.

Our new school council has been elected and will be meeting regularly to bring and share lots of ideas for our school. They are looking forward to choosing new team names for the year and representing their class.

## Meet our new school council

## Attendance

BEST ATTENDANCE CLASS for week beginning 6/9 is: Class 3
