Parents' meeting/forum —new web-	16/1
Y6 QE Transition visit	30/1
Half Term	13/2-17/2
* Details to follow	

Attendance

We are working hard this year to achieve our target of a whole school attendance of 97.5%; currently we are at 97.7%, which is absolutely fantastic. A big well done to everyone in helping us achieve this so far, especially the 34 children who achieved 100% attendance in the Autumn term. Being in school everyday is vital to all children's learning and ensures that they don't miss out on lots of fantastic learning opportunities.

New Term— New Topics

The children are all enjoying their new topics which they have started this term. Class 1 are learning all about History within living memory and will be finding out all about their family history.

Class 2 are learning all about Hot and Cold through Science and geography. Classes 3 and 4 are learning all about different countries in the world and how they compare to our country. This half term all our curriculum information as to what the children are learning

will be

on the eschools learning platform for each class.

Unwelcome Visitors

Sadly we seem to be regularly visited by people who choose not to use our site in an appropriate manner and leave all types of rubbish behind. We have contacted the local police who will be making more regular visits to our site out of hours to try to prevent this from happening. If you see anyone using our site who shouldn't please contact the office or local PCSO

Parents' meeting/forum

We will be holding a parents' meeting/forum on Monday at 2.30—to look at our website/new learning platform, as well as:

- Discuss whole school issue (not individual).
- Give parents an opportunity to express their views and ideas.
- Give parents an opportunity to make suggestions for school improvement.

Please come along, tea and coffee will be available too.

Attendance

BEST ATTENDANCE CLASS for week beginning 2/1 is: Class 2 and 4

100%
