Happy New Year from everyone at Tedburn St Mary

New Term

Happy New Year. Welcome back to a new school term; we have lots of exciting learning planned for all our children for this term and lots of new developments within school too.

Having been here for five years now, the school has seen lots of changes already, but the biggest change we will experience this year will be joining and becoming part of the Link Academy. We are hoping that this will bring us lots of benefits, especially financially and being able to work more collaboratively with similar size schools.

We have a strong team of teachers here at Tedburn who all strive hard to help all our children achieve their best every day. We are extremely proud to have been recognised as the best performing school in Devon and the South West. I hope you have seen the articles in both the Express and Echo and Crediton Courier, as well as the report on Devon Live.

<http://www.devonlive.com/all-about/education>

We will, as always, work our hardest to help our children achieve their full potential. We will also strive to deliver lots of exciting learning opportunities throughout the year, which we know the children enjoy and get lots of excitement from. We will always put these up on our calendar so that you know what exciting things we have planned.

Our new outdoor classroom has been almost finished off and we hope that we will be able to get the children using it as soon as the weather picks up. A big Thank you to Wayne Stewart from Stansfield School who has worked really hard to get this off the ground. Also thank you to the parents who have helped get it finished, it will be a real asset to the school during the year.

Finally please if you haven't downloaded our eschools app for your phone, this will enable you to receive all communications from the school. We will also be looking this term to use and send text messages and in the summer term to get parent pay up and running.

As always if you have any worries or concerns please pop in to see myself or any of the teachers who will be more than happy to help.

Attendance

BEST ATTENDANCE CLASS for week beginning 18/12 is: Class 1
