

## Classes 1 and 2 QE Multi Skills

As part of our Sports Partnership with QE Classes 1 and 2 had a lovely morning visiting QE to take part in a Multi skills event. The children took part in a variety of activities including: football, rugby, basketball, rounders, parachute games and balancing games. Everyone really enjoyed the morning and tried their best at all the activities.

these useful and gave you an understanding of how we teach the operations of addition, subtraction, multiplication and division across school.

### Safer Internet Meeting

Thank you to all the parents who came along on Monday morning to our Safer Internet meeting. We hope that you went away with lots of good ideas to as to how you can help keep your children safe when they are online. Assemblies this week have focussed on online safety. We talked with the children about being SMART online and how they can keep themselves safe. We have attached a guide for parents with ideas you can do at home.

**Be smart on the internet**

**S SAFE** Keep safe by being careful not to give out personal information – such as your full name, email address, phone number, home address, photos or school name – to people you are chatting with online.

**M MEETING** Meeting someone you have only been in touch with online can be dangerous. Only do so with your parents' or carers' permission and even then only when they can be present.

**A ACCEPTING** Accepting emails, IM messages, or opening files, pictures or texts from people you don't know or trust can lead to problems – they may contain viruses or nasty messages!

**R RELIABLE** Information you find on the internet may not be true, or someone online may be lying about who they are.

**T TELL** Tell your parent, carer or a trusted adult if someone or something makes you feel uncomfortable or worried, or if you or someone you know is being bullied online. You can report online abuse to the police at [www.thinkuknow.co.uk](http://www.thinkuknow.co.uk).
