

## Lego Building Blocks Dates/Events

This week we have started Lego Building Blocks sessions in school. Mrs Scott and Mrs Marley are working with small groups of children across school in delivering this program. The children work together in 3's and are each assigned a role. One child is an engineer, one is a supplier and one is a builder. The children swap roles during the session and then build and construct different Lego sets.

The school would like to Thank FOTSMS for purchasing the Lego, which enables us to deliver these sessions.

Safer Internet Parents' Meeting	4/2
Maths Open mornings	5/2 7/2
Class 1/2 Multi Skills QE*	8/2
Half Term	18/2— 22/1
* Details to follow	

## Attendance

**BEST ATTENDANCE CLASS** for week beginning 21/1 is: Class 1 and 3

### Maths Open mornings

Next week we will be holding two open mornings for parents to come in and see how we teach the four rules to our children in classes 2, 3 and 4. Class 1 will be looking at using Maths games to support children's learning. These will be on Tuesday 5th February to look at how we teach addition and subtraction and on Thursday 7th February for multiplication and division.

If you would like to brush up on your maths please come along from 9.00- 9.30. There will be a chance to move between classes if your children are in different classes.

We will also be holding a parents' Internet safety meeting, where there will be the opportunity to look at how parents can support children in keeping themselves safe whilst they are online. This will be on Monday 4th February at 9.00 in the hall.

Today we said Good-bye to Mrs Warren, who will be starting her Maternity leave.

We wish her all the very best with her new arrival and look forward to meeting him or her .

Thank you to all the parents who returned their questionnaires to school, please see the attached overview. Thank you to everyone for all your positive comments and all the things that you value about our school. We will as always strive to achieve our very best for all the children and offer them the best opportunities possible.
