

# Tedburn News

Weekly newsletter of Tedburn St Mary Primary School Autumn 1 Week 1 7/9/18

## Welcome to a new school year.

I hope you all had a wonderful summer holiday and made the most of the lovely weather and having the children at home! It's great to be back at school - the children have settled well in their new classes and have been working hard and

learn- ing lots already. We extend a special welcome to all families who are new to our school and know you will soon feel part of the Tedburn community.

We have lots of exciting things planned for this year, as we work together to improve our school

further. The children have already started the daily mile, which takes place each morning around the field and playground. New Art work is continuing to brighten up the school, with our oasis water feature. A big thank you to Sue Latham and her artistic talents. We hope to add to

this over the year, as well as improving our playground seating in the coming weeks.

As you can see our diary for this term is already filling up - please check the updated dates/events section on our weekly newsletter and website so that you don't miss anything. You can also follow us on Facebook, where we regularly post updates of exciting things happening in school.

As always we value your support and if you do have any questions, issues or concerns then please call us or pop into the school office and we will do our best to help. We will be having a 'drop in to meet the teacher' on Monday 24th at 2.30. We will also be running Parent Forums later in the year, where you can come along to discuss ways to help us continually improve our school.

With all good wishes for a happy, rewarding and successful year for everyone.

Mr Keay
