Class Photos	6/6
*** Details to follow**	

Yes I Can!

As part of our developing 'Growth Mindset', we have started work on our art work based on 'Yes I Can'. The children are recreating their pictures they did for homework a while back into large pieces of Art that will be displayed around school. Thank you to Sue Latham who has been overseeing this

On Friday 18th May we are planning to hold our own Royal Wedding Street Party. We hope to have this outside on the playground (weather permitting). We would like the children to bring in either sweet or savoury items to share as part of these celebrations. We would also like the children to dress up either for a wedding or in red, white and blue.

'Wanted'

One of our Governors has asked for used birthday cards, especially children's age ones. An Indian orphanage she is linked too remakes cards and sells them for the charity. £1 a card keeps a child for a day so every card we reuse will provide education and home for a child.

Summer Term Dates

As requested at our Parents' Forum meeting please see the calendar on our website or check your eschools app for dates that we have planned in already.

Sports day has been organised for Friday 29th June (weather permitting) and will run alongside FOTSMS summer fair and into the late afternoon. We hope like last year that as many of you as possible are able to join us. The year 6 enterprise team are planning to organise another BBQ as this was really successful last year. We will send out more details about this day after half term.

Attendance

BEST ATTENDANCE CLASS for week beginning 30/4 is: Class 4
