

Athletics at QE

Today Years 4, 5 and 6 attended QE to take part in an Athletics competition against schools from across the CLC. The children took part in events including long jump, high jump, hurdles, sprinting and throwing.

Our Sports partnership with QE has been very successful this year and every child has attended at least one event up at the high school. We look forward to the final event in a few weeks.

Thank you to the church who came in on Wednesday to perform another 'Open the Book' assembly all about Joseph and his amazing coat of many colours. The children enjoyed the performance and look forward to hearing the second part of the story in a couple of weeks.

Life Skills

On Monday year 6 attended Life skills at Matford and were given demonstrations by the RNLI, fire brigade, police and many others. The children learnt a lot about how they can keep themselves and others safe.
