Welcome back to the summer term, we hope you all had a lovely Easter break. As usual we have a busy Summer term lined up across all the classes. Curriculum information will be available from next week on the eschools learning platform for each class.

We will continue to send out lots of information through eschools, including letters home, reminders and events coming up in school. If you haven't already downloaded the eschools app, please try to do so. As always should you have any concerns or issues please feel free to pop into school to speak with us.

New Outdoor Classroom

We are delighted to say that our outdoor classroom is finally complete

and the children can't wait to start using it, especially now the weather is getting better.

The school would like to thank FOTSMS for providing the funds for the build and everyone else who has been involved in this

project and given up their time to help.

A special thanks to Wayne Stewart who started the project off with Stansfield school and to Ken Latham, who has worked to complete and add the finishing touches.

FOTSMS AGM

FOTSMS' AGM will be held at 7:30 on 23rd April at the Kings Arms. FOTSMS are looking for a new chair and the support of as many parents as possible. If you think you can help support our school even more in giving our children those extra opportunities, please come along.

Parents' Forum

We will be holding a Parents' Forum on Friday 27th April at 2.30. Please come along as we always value your comments and contributions. We are planning some exciting developments moving forward including the possibility of a new classroom being built in our old swimming pool area.

Appointments

We are having an increasing number of dentist and medical appointments taking place in school time, can I remind parents to please make these out of school time where possible.

Attendance

BEST ATTENDANCE CLASS for week beginning 26/3 is: Class 1
