## Learning Platform

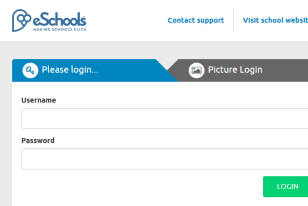

We are pleased to say that we have launched our learning platform to all parents..

Hopefully you all received a letter this week with your individual username and password on, as well as information about what you will be able to access.

The learning platform will enable us to communicate with all of you even more effectively. You will be kept up to date about your child's attendance, topics and work being covered in class, letters and messages and in the future parents' evening bookings and parent pay.

As well as this you will also be able to download our school app for your phone, which will enable you to pick up messages and information very quickly.

Thank you to those parents who attended the meeting on Monday. It was good to show you our new learning platform, as well as answer any questions that you had. If anyone does have any difficulty accessing our new learning platform or didn't receive a letter please contact the office and we will help in whatever way we can.
