

## Famous Faces

Class 2 had a super day on Friday. As an introduction to their topic this term they came dressed as Famous people from History. Can you spot who some of the children are? See all the children on our Facebook page.

### Breaking News

On Wednesday we were visited by Judges from the Prince's Trust Award to look at the work Class 3 have been doing on plastic recycling. We are delighted to say that 'Tedburn Turns the Tide' won the award and £1000 for the school. We look forward to receiving the award at the County Show.

Welcome back to the summer term, we hope you all had a lovely Easter break. As you can see from the diary we have a busy Summer term lined up across all the classes. Please note the key dates, especially Sports day/summer fair, which will once again be held on the same afternoon.

Curriculum information will be available from next week on the eschools learning platform for each class to give you a flavour of what exciting learning opportunities we have lined up for our children.

We will continue to send out lots of information through eschools, including letters home, reminders and events coming up in school. If you have any issues using eschools please contact Mrs Rich in the office. As always should you have any concerns or issues please feel free to pop into school to speak with us.

* Details to follow	

## Attendance

**BEST ATTENDANCE CLASS** for week beginning 1/4 is: **Class 4**

Thank you to the church who came in on Wednesday to perform another 'Open the Book' assembly all about the

second part of the Easter story. The children enjoyed the performance and look forward to hearing and watching other stories in the summer term.

The children enjoyed their treat this week for achieving 1.2 million words read in a week before Easter. Their new challenge is to try and read 1.5 million words in a week. I wonder if we can achieve this?
