

# New Look Children's Centres

## Have you heard about our exciting changes?

Our '**universal**' services (groups open to everyone) will now be run by our brand-new service **Grow Devon!** There are still lots of things you can go to, including Grow Bump to Baby preparation for parenthood experience, Grow Baby Massage, Grow Parent and Baby Yoga, Grow Curious Babies, Grow Curious Toddlers and Grow Crafty Kids.

To see what's on and book yourself a place visit the Grow Devon Facebook page [www.facebook.com/Grow-Devon](http://www.facebook.com/Grow-Devon). There is a charge for these groups.

We are also aware that some families need a little '**extra help**', and we are therefore continuing to offer 1-1 support, additional groups and parenting courses for families who meet the criteria for this. To access this, we will need a referral form completed either by yourself or by an agency you are working with, e.g. health visitor, social worker, school.

Referral forms are available from your Children's Centre or our website [www.actionforchildren.org.uk](http://www.actionforchildren.org.uk). If you want to discuss whether you meet the criteria for this, please contact your Children's Centre. This is free of charge.

If you would like to talk about the changes with a member of staff, please contact your local Children's Centre and we will be happy to explain the changes to you in more detail.
