

Carclaze Community Primary School – An Academy

School Ethos

Mission Statement

Care Communicate Persevere and Sparkle

Vision

Our vision is to work together to develop happy, healthy, secure individuals, who are able to take risks, in a safe, fun, caring environment where individuals make a positive contribution to their community, realise their potential and achieve their goals.

Aims

Our main aim at Carclaze Community Primary School is to encourage our children to be successful and confident learners who are responsible citizens. We will achieve this through:

1. Providing outstanding teaching and learning through a fun, active and personalised curriculum;
2. Promoting excellent behaviour through consistently high expectations;
3. Providing a range of activities and opportunities to enrich the lives of children, families and the wider communities;
4. Networking effectively with stakeholders and wider children's services;
5. High quality resources used effectively to meet the needs of all learners.

Peninsula Learning Trust

What we stand for:

'Outstanding learning, outstanding schools, outstanding collaboration'.

- We believe learning should be enjoyable, purposeful and a preparation for living in modern Britain. Schools should be happy, caring and safe places.
- We value diversity; protecting each individual school's identity and uniqueness.
- We drive school improvement through collaborating, sharing and challenging.
- We are a local Trust for the St Austell Bay and Clay region. That is our community and shared geography.
- We are an employer of choice with a commitment to staff development and improvement, retaining and attracting staff to work for us
- We give value for money by sharing central services and leadership
