Head Teacher: Mr Simon Pollard

Dear Parents/Carers

A few people have asked us when they will be able to read our Ofsted report, following the inspection on 9th and 10th November.

Ofsted send the report to the school within 18 working days for factual checking. (It has been 12 since the inspection). The school has up to 5 days to check and respond. The report will then be published within 30 working days.

We are coming towards the end of November and therefore December and the beginning of Advent. The children will be recording Christmas songs which we will share with parents and we will have Christmas parties (dates will be shared), a virtual Christmas panto, and Christmas Dinner (15th December) before the end of term.

We still have three weeks of term left and next week the children will be completing reading and maths assessments. With two school days left in November don't forget to send in your "Me as a Reader" posters if you wish to enter the competition.

The weather is looking wetter for the coming days so don't forget the children will need waterproof coats.

Simon Pollard

I am currently reading.....

PARKING

If you cannot find a space please do not leave your car unattended.

This stops other people leaving and keeps spaces full unnecessarily.

Wait with your car until a space is free.

We will not let your children go until you collect them.

Many Thanks

Please Help

We cannot hold our events and sales

But the school and children still need your support and here's how you may help

29th November 2021
What's going on this week?

29th November - 5th December

Is the world a better place when we live a more natural life?

Brazil's indigenous people came together at COP26 earlier this month to share their message, that the world needs their expertise in protecting the Amazon rainforest. They have said they face increasing threats from loggers and miners. Their way of life is being threatened and huge areas of forest are being destroyed. It's thought that indigenous leaders in Latin America and the Caribbean protect around an eighth of all the carbon stored by tropical rainforests across the world.

Things to talk about at home...

- 🌿 How can the land indigenous groups live on be protected? Whose job do you think it is?
- 🌿 What types of things do you think help make a 'natural life'? Do you think it's important for us try to make our lives as natural as we can?

Free school meals

www.cornwall.gov.uk

Cornwall Council has received funding that will mean it can continue to offer free school meals during the holidays as well as offer further support to those most in need over the winter.

Please visit the Cornwall Council Website to check your eligibility for Free School Meals.

If you are in receipt of FSM's (not UIFSM) then please ensure the school has your most up to date email address. Vouchers are sent out at the start of the holidays to the first contacts email address.

The Department for Work and Pensions has extended its Household Support Fund (HSF) for this winter during the final stages of economic recovery in the wake of the Covid pandemic.

Upcoming Events

Break the Rules Day (to be held on Friday 17th December), details to follow in the coming weeks.
