Care Communicate Persevere and Sparkle

3rd April 2018

Dear Parents/Carers,

Next week, as part of our Science lesson, we will be learning all about teeth and oral health. We would like to experiment with disclosing tablets on Thursday 10th May.

They are chewable tablets used to make dental plaque visible. We would like to encourage all children to take part in these experiments however, if you **do not** wish your child to participate please inform, in writing, your class teacher by Tuesday 8th May. Please can children bring in their toothbrush and toothpaste on Thursday.

Thank you as always for your continued support,

Mrs Wood, Mrs Whitford and Miss Bolton.
