

Behaviour Policy Amendment in light of COVID-19 – Parent/Carer agreement

We/I have read the school's Behaviour policy and the amendment which will come into effect from the 1st June 2020.

We/I understand that if our son/daughter deliberately breaks any of the reasonable adjustments described in the amendment they could be sent home for the remainder of the school day or, in the most serious circumstances, for the rest of the summer term.

We/I will be fully supportive of these reasonable adjustments which have been made to protect the students and staff at school
