

Your child's education is very important. Attendance habits established when they are very young can affect their entire school life.

If you are concerned about your child's attendance please contact their school.

Get up, Get in, Get on

**Get up,
Get in,
Get on**

Every day counts

Your child's education is very important. Regular school attendance helps pupils fulfil their potential and gives them a chance of a better future.

Attending school every day, and arriving on time, starting in nursery and reception classes will help give your child the best possible start in life.

As parents we all want the best for our children. Helping them to attend school regularly is an important part of this.

Smartee and Tick, our School Attendance Champions encourage school children to **Get up, Get in, Get on.**

Going to school every day means:

- Having lots of fun
- Making friends
- Taking part in exciting activities
- Time to play
- Building lasting relationships
- Helping to have the best possible start in life

You can help us to help your child by encouraging regular school attendance and help them to **Get up, Get in, Get on.**
