

Sparsholt C of E Primary School

# SPONSORED SKIP For Karis Kids

Week commencing Monday 20<sup>th</sup> May 2019

## Why skipping?

Skipping encourages kids to be healthy and active. It brings boys and girls together. Skipping is a challenge that all participants can succeed in and is our latest playground craze.

## Why a sponsored event at all?

We are launching our Fund Raising Initiative and link with Karis Kids!

Our financial support enables orphaned children to attend and complete primary school education. Karis Kids are keen to help these children by funding their secondary education, therefore making a better future for themselves and their families by helping them become self-supporting and finding employment. All money raised by our school community will go towards providing secondary education for the children in the families already linked to the Downs Benefice.

## Ready, steady, Go!

We are hoping that our first fundraising event for our school adopted charity will be a smash hit! We are asking each child to raise awareness of this worthy charity by collecting as many sponsors as possible. During the week beginning 20<sup>th</sup> May 2019, class teachers will take their whole class out onto the playground to take part in a 50-minute skipping activity. **We would like the children to then collect and return their sponsorship money after the summer half term break, Monday 3<sup>rd</sup> June 2019.** We are looking forward to a FUN fundraiser, and at the same time increasing our fitness levels!

**Please encourage your child to gather sponsorship using the form overleaf**
