*To Parents of Children in Maple Class*

Dear Parents

Chocolate making day

As part of our topic ‘Chomping Chocolate: from pod to pocket’, I am arranging for the class to make a chocolate product. The children will be choosing from the following ingredients: biscuits, fudge, caramel, marshmallows, dried fruit, white, milk and dark chocolate and flavourings. There is no need for you to buy any of the ingredients, everything will be supplied for the children, but I would be grateful to know of any allergies to these ingredients. I am intending on the class eating the product after they have made it, as well as bringing some of it home.

Please will you kindly complete and return the slip below by **Friday 9<sup>th</sup> July**, to confirm whether or not you agree to your child making and eating the chocolate product as well as confirming whether or not your child has any allergies.

Thank you.

Yours sincerely

Miss Burbridge
