16. How can we improve the school?

- “Maybe providing sporting matches between other schools (football, rugby, netball, running etc.) We understand teachers are under considerable pressure.”
- “Sort out the toilets, my child and other children of my friends say that they stink & are disgusting.”
- “I know you have got plans in place for a school hall but this and class 1 does need to be bigger and maybe improve the area outside class 1 were parents wait.”
- “I see no need for improvement, the extension will help and give much needed extra space.”
- “It would help when on trips the pick-up time isn’t changed to earlier or you are given the option for the pupils to return to school (very minor in the scheme of things).”
- “We don’t think anything needs improving. Maybe more space would be helpful to the teachers and we know this potentially is on the way. Thank you so much for doing such a great job.”
