## Author Visit

Thank you to Sarah Griffiths who visited the children and read her book 'Douglas's Trousers' and spoke to the children about her life and how she became as author. Sarah also signed and gave out all books ordered in assembly.

## Amazing VEX Success!

A huge congratulations to our Year 5 children who took part in the VEX IQ Challenge today at Enginuity in Ironbridge. The children came second in the team event and qualified for the national round of the VEX IQ Challenge, which will be held next month at the International Centre in Telford against 60 other schools from around the country.

What makes their success even more impressive, is that most of their opponents were secondary school aged children!

Over the last few weeks, the children have been building the robot (not easy!!) themselves and have sacrificed lunch times outside to practise using the controls. All this hard work has paid off and they should all be very proud of what they achieved today.

Well done and good luck in the next round!

## World Book Day

We will be celebrating world book day on Thursday 1st March. Children and staff are invited to come into school dressed as a character from a book. There is no charge for this. Children will be given a book token later in the week which they can spend on a book from a shop or from our own travelling book fair which will be taking place from Monday 5th March in the school hall.

We look forward to seeing as many children as possible dressed up!

## Up and coming Events

On Friday 9th March we will be holding our annual Mothers Day coffee morning. The hall doors will be open at 9am, all welcome to come in for a coffee and cake/biscuits. Our school choir will also be performing towards the end of the morning.

Year 5 will be starting their Arthog Outreach days next month, Mrs Magness class will be out on a Monday and Mr Greens class will be out on a Thursday for 3 weeks.

We will also be welcoming music workshops from Rocksteady and Keystings in March.
