

Phase 5 - Yes / No Questions

- ★ Tell your child that each strip contains a question.
- ★ Do they know what a question is?
- ★ Do they know what a question mark looks like?
- ★ Tell them that each question can be answered correctly with 'yes' or 'no'.
- ★ After they have read each question ask them to decide whether the correct answer is 'yes' or 'no'.
- ★ If they are incorrect, talk about the question. Are they clear about what it is asking?
- ★ Cut the sentences into strips and practise each session in a random order. You could play it as a 'turn taking', 'point scoring' game.

NO

☺ You could cut out the prompts above and ask your child to point to the answer to add a different dimension to the game.
