Spring Term

As we come to the end of January and start February, we can look back on what has been a rather hectic start to 2019! As you know, this has included a visit from Ofsted, which we're pleased to say went very well. We look forward to receiving the inspectors letter in due course. Once again, thank you for the fantastic parental support we received.

The term so far has included many exciting events and learning opportunities for the children. We have enjoyed a theatre production of Beauty and the Beast, a group of children competing at the VEX Robotics Tournament, many sporting fixtures and events, a Roman experience Day for Year 4, amongst many other things! The children experience a fantastic curriculum at Grange Park and we hope you enjoy seeing some of this through our regular Facebook posts.

We now look forward to Spring arriving and an improvement in the weather, along with lighter nights. Hopefully over the next month or two you will see some of the improvements we have planned for our outside environment start to take shape, not least our Daily Mile Track around our school field!

Tesco Bags of Help Scheme

If you shop at Tesco, please remember to collect some tokens from the cashier or from the box at self checkout.

We are currently raising funds to have a track installed around the outside of our school field so that the children can take part in the Daily Mile and get at least 15 minutes of planned exercise every day.

We are up against 2 other projects in Tescos. The project with the most tokens by February 28th will get £4000, 2nd place gets £2000 and 3rd gets £1000.

Thank you

Young Voices:

Thank you to all who attended Young Voices on January 18th, it was a fantastic event which we hope all the children and parents enjoyed.

The children who performed were a credit to our school and we were very proud of them.
