It has been another busy but exciting few weeks at Grange Park. The children have been involved in lots of exciting activities and it has been lovely to see so many parents, grandparents, carers, aunts, and uncles etc joining in with our parent after-noons. We really value the time that you are able to give to join your children and we know that they love it too.

Looking forward, next half term is also going to be very busy so keep an eye on ParentMail and our Facebook page for updates on events and photos of some of the great learning experiences that the children are enjoying.

Polite reminder

We would like to remind parent/carers and other adults who drop off and collect their children, that there are a lot of small children around.

We have had reports from other parents and children of inappropriate language and behaviour being displayed on the playground.

Please can we ask that you are mindful when you are on school grounds of this and refrain from any inappropriate behaviour or language.

Thank you.

Attendance.

As attendance is so important to all the children, we would like to remind parents that if your child is unwell it is important to report the absence on parentmail or by leaving a message on the school answer phone. This enables us to mark them correctly on the register. Also to improve late arrivals, a designated member of staff will be conducting spot checks. This will support the children's learning and self esteem.
