

## Phase 2 Captions for Reading

- ★ These captions are made up of words containing only the Phase 2 graphemes your child has been learning.
- ★ They enable children to read groups of words rather than single words only.
- ★ These are not full sentences therefore there are no capital letters or full stops.
- ★ Cut out these captions and allow your child to practise reading them.
- ★ Encourage your child to think about what each caption means.
- ★ You might like to sketch a picture to match each caption. See if your child can match the caption to the picture.
