

Woodbury C of E Primary School

Flier 36

5th July 2019

Dear Parents

There is a lovely productive feel in school at the moment as the end of the year rapidly approaches. The children are busy completing projects, KS2 are very involved in the rehearsals for next week's production and the staff are completing reports and beginning the process of handing over to their colleagues for next year.

Next Year's Classes

Next year the classes will be taught by the following teachers:

Beech Class (Foundation):	Miss Bowyer
Willow Class (Year 1):	Miss O'Leary
Oak Class (Year 2):	Miss Harwood
Cherry Class (Year 3):	Miss Evans (covering Miss Owen's maternity leave)
Maple Class (Year 4):	Miss Davey
Chestnut Class (Year 5):	Mrs Temple-Murray (3 days) and Mrs Sommers (2 days)
Ash Class (Year 6):	Mrs Vernon (3.5 days) and Miss Pyle (1.5 days for the autumn term)

Next week, the children will be spending either Monday or Wednesday morning with their new teacher. Mrs Harwood will be in school on July 8th and 9th to get to know the children and begin to get up to speed on the many things she needs to know. She will also be in Willow class during the Open Evening so that she can meet as many of her new class and their parents as possible.

PTFA Cake Sale and Tombola: 12th July

Thank you for all of the donations of sweets, cakes and bottles for the tombola; if you still have items to donate please bring them to school on Monday. Donations of cakes are also needed on 12th July and can be left in the practical area outside Oak and Cherry classes. Alongside the cake sale and tombola, there will be a second hand uniform sale. We have lots to sell across summer dresses, pinafores, trousers, skirts, jumpers and more! If anyone wants to grab a bargain before the sale just send me an email with what you would like at annabelyouldon15@gmail.com and I'll let you know if we have it and package it up for you to pick up on Friday.

In addition, some of the children in Cherry and Maple classes would like to raise money for The Children's Hospice South West. In order to do this they need donations of good quality items, such as games, books, CDs and bric-a-brac. Next week could you please support the children by sending donated items to the office or directly to Cherry or Maple class.

Thank you to everyone who is helping to make these sales a success.

Class Assemblies

Cherry class will be presenting their assembly on Monday 15th July at 9.10am and **Oak class** will be sharing their assembly on Tuesday 16th July 9.10am. Parents and family members from respective classes are warmly invited to come and see.

Reminder: Parent Open Evening - Monday 8th July 3.30pm - 5.30pm

Reminder: KS2 Sports Day is on Tuesday 16th July - 1.30pm

Reports

The teachers are currently writing the annual reports, which we intend to send home on 12th July. Due to data protection law the reports will be handed out by the teachers to parents directly. If you are unable to collect your child's report on Friday it will be kept in the office until Wednesday, after which it will be posted to you.

The Hurdlestone Challenge

It was inspiring to hear Holly, Molly and Katie in Year 6 tell the school about the Hurdlestone Challenge which they had taken part in with their Guide group. After a nights camping on Friday, teams of between 4 and 6 set off for the challenge which is based on a circular course of around 8 to 10 miles in Teignbridge. Along the course they have to complete a series of challenges such as an aerial runway, water challenges, Archery or Rifle Shooting. The girls were among the youngest participants and came a very impressive 40th out of 85 teams and they are planning to do it all again next year!

Wishing you a lovely weekend

Mrs Sparks
Head Teacher
