

# Woodbury C of E Primary School

## Flier 12

30<sup>th</sup> November 2018

Dear Parents

### **Thank you**

Thank you for your support for the PTFA tombola. It is not too late to bring any more bottles or chocolates and leave them in the school office.

### **Development of the Wildlife Area**

Last year we were chosen to be a WWF flagship school for an environmental and wildlife garden. Last term the TV garden designer, Frances Tophill, talked with some children and she has designed the garden based upon their ideas. This week the work has begun to create this and next term the area will be planted so it is ready to use by the summer.

### **Handball Tournament**

Last week two teams of Year 6 children took part in an interschool competition at ECC. Both teams represented the school superbly and all the children enjoyed themselves. Team B ultimately won the tournament and were presented with their medals in assembly. Well done to everyone involved and thank you to Miss Bowyer for organising and accompanying the children.

### **PTFA – Christmas Fayre 15th December 12-3pm**

Our thanks go to all of you who have supported the Fayre already by donating bottles /chocolate to the Tombola for non-uniform day today.

We are delighted to be holding a Jam Jar Tombola at the Fayre to raise funds - if you could dust off your jam jars, fill them with whatever goodies you have and donate to the PTFA stall it would be greatly appreciated. Raffle ticket books will today find their way into your child's book bag. This initiative drives so much money for the PTFA, and therefore your school, so supporting this by buying tickets would be amazing. We have some great prizes so don't miss out, buy your tickets soon! Can I please request that all Ticket Stubs / Money and any unsold tickets are returned to the school office in an envelope by Thursday 13th December please. If paying by cheque please make it payable to Woodbury School PTFA. If you'd like more tickets these will be held at the school office.

Finally, if any of you have 20/30mins spare on 15th to help run a stand we would be so grateful. Thank you in advance.

### **Woodbury Village Advent Calendar for Force**

As you may have seen, our window is beginning to be assembled and it will be officially lit up on 7<sup>th</sup> December. Trails of all the windows in the village can be purchased for £2 from the office with proceeds to support Force and the Woodbury Community Playing Fields.

### **KS1 Nativity and KS2 Carol Service**

The tickets for the KS1 Nativity have been sent home to all families in Beech, Willow and Oak classes. You do not need a ticket to attend the KS2 Carol Service which will be held in St Swithun's Church on 13<sup>th</sup> December at 6pm.

Wishing you a lovely weekend

Mrs Sparks
