Friday Flier 30

Dear Parents,

Weekend School Grounds Working Party

Thank you to Liz Dymond, Bruce McCormick, Sam Bridgewater, Martin Rothwell, Ruth and Jorik Driesen, Mike Payne, Martin Hookway, Paul Ayshford, Kim Goldsmith, David Clarke and Iain Stephens for their tremendous help last Sunday making the raised bed, clearing the area for the sheds, creating the path to the Forest School area and planting the willow hedge. **We do need more help this Sunday between 10am and 12 noon** to finish the path, lay the shed base, assemble two sheds and clear the pond area. If you can help, please do just turn up on the day.

If you have any of the following please bring them with you:

Digging spades/forks, screwdrivers, hammers and gardening gloves

School Council's Anti-bullying Leaflet

Over the last few weeks the School Council have written, designed and produced a leaflet for children about Bullying and what to do to prevent it and what to do if it happens. This has totally been their creation and it has been a very democratic process involving the children listening to the ideas of their class and incorporating these into the leaflet. I am very pleased with the way the children have worked together and the quality of the discussions which have taken place in class; the children have shown a great deal of insight into the issues and how to respond. Next week, all the children will have their own copy of the leaflet and I have attached a copy to the email with this Flier so that you can talk to your child about it.

PTFA Update

Thank you to everyone involved in the organisation of the PTFA Netball tournament last Saturday – it was a great success with lots of fun had by all.

Class Pages on the Schools Virtual Learning Platform

The letters went home yesterday and the class pages have been launched – we hope you enjoy seeing what the children are learning and are excited about the way these will develop in the future.
