

Woodbury C of E Primary School

20th April 2018

Friday Flier 24

Dear Parents

Welcome back to the summer term, I hope you all had a lovely Easter. The children seem to have grown over the last few weeks and have returned full of their holiday news as well as being keen to get back into their learning. The weather is improving so please do send your child to school with sun block already applied, sunhat and full bottles of water.

May Day

The May Day Celebration will be on Tuesday 22nd May, with a back-up date of Thursday 24th May, should the weather let us down. The theme for the costumes this year is 'A Royal Wedding'.

Help with the Maypole

We will soon be starting practising the maypole dances on the playground. We currently have a limited number of staff who are able to move the maypole base and pole into position at the start and end of the day. If at all possible could I ask anyone who is able, to set up the maypole. This has to be done by two people and involves putting the metal base onto the wood base and clipping it in place. The pole sits in the metal base. The base and pole live in the PE shed. If you are able to help and would like clarification about what to do, please see any teacher.

Willow Class Assembly

Willow class will be having their assembly on Tuesday 1st May after registration.

School Uniform

Please could you ensure that your child wears full school uniform, details of which are on the website. This includes appropriate shoes (not trainers or crocs) and trousers (not jeans). Skirts and dresses need to be at knee length, long hair tied back and nail polish should not be worn. Thank you for your support in maintaining our standards.

Start of the School Day

It is easier for the children if they can be in school by 8.55am and ideally before this. This gives them time to settle in, ensures registration takes place promptly and teaching can start on time. Arriving later than this delays lessons for everyone and means your child has a rushed start to the day.

Request for Help

Are you or any of your contacts able to come and build a wooden frame, 5mx4m, in order for us to lay the concrete base for our Forest School shed at the top of the field? Do you know of anyone who could help with the concreting? If you are able to assist, please could let the school office have your contact details. Many thanks.

Tag Rugby Tournament

Having been postponed to poor weather at the end of last term, two teams of Year 5 and 6 children, accompanied by Miss Cooper, took part in a local school tournament on Tuesday at Brixington School. They were not deterred by the wet weather and very muddy pitch and played like troupers – being great ambassadors for the school with one team qualifying for the East Devon Final later in the term. Congratulations to everyone.

Wishing you a lovely weekend

Mrs Sparks
Head Teacher
