

Woodbury School PTFA

Dear Parents,

We have had a fantastic start to the 2018-19 year at Woodbury School. The PTFA started the year with over £12,000 and has continued to help support projects and purchases in School which enhance the learning and environment in which our children thrive.

So far this year the PTFA support has allowed us to see our forest school blossom. We have purchased the forest school cabin costing £2890 which allows ample space for storing equipment and for the children to change in. We have provided subscription to First News costing £288 which has been a very positive addition to the KS2 children's day.

With guidance from the children and teachers we are now starting to focus on IT provision within school. There is a continuous need for replacing and upgrading IT systems and we are keen to support the school in this. It is a big part of the world our children are growing up in. So far in 2019 we have helped to fund 3 sets of chrome books which replace the old learnpads. With funds raised in the coming 2 terms we are hoping to purchase further chrome books, a visualizer, camera and games for wet play for each class.

Once again many thanks to Bel Youldon as Chair, Sarah Hughes as Treasurer and Mrs Sparks, as well as the rest of the PTFA and a large number of supporters for their tireless efforts in helping to achieve our vision for the School. We're looking forward to an exciting 2019 in Woodbury!
