

Woodbury C of E Primary School

Friday Flier 20

8th February 2019

Dear Parents

The focus this year of **Internet Safety Day** has been about having appropriate consent to use the internet. In the younger classes the children have been learning that they should not go online without an adult being present and if they are unsure they should always check with an adult. In Key Stage 2 the children have been learning about making sure that the sites they use are appropriate for their age, again seeking adult permission to be online and also learning about not sharing personal information online.

Singing Concert

We are looking forward to sharing the songs the children have been learning on Wednesday 13th February, at 9.10am and 2.30pm.

Forest School

We are still in need of volunteers to help with the skimming of the path to Forest School. This entails taking off the topsoil so that a layer of woodchip can be laid. If you are able to help, please do let Mrs Dymond or the school office know.

All children taking part in Forest School need to have wellies to take part as the area is very muddy at the moment. If you are able to donate any spare wellies, these will be greatly appreciated and you can drop them in to the school office.
