## Flier 5

5<sup>th</sup> October 2018

Dear Parents

At the time of writing, the Year 6 children have yet to return to school from their residential week at Pixie's Holt, whilst the children in Cherry Class are out on a visit to Woodbury Castle. I am sure we will have lots of news about their exciting trips on next Friday's flier.

### Parent Evenings

After half term, we would like to invite you to a parent meeting either on **Tuesday 30th October or Thursday 1st November**. This is an opportunity to talk about how your child is getting on and how we can, together, support them further. The booking system is now live so that you can make your appointment online via the school website (eschools) – details of how to log on to make an appointment are attached to this email.

### Singing Concert – 15<sup>th</sup> October

Due to the popularity of our singing concerts and to adhere to fire regulations, we are again holding two concerts this term on 15<sup>th</sup> October at 9.15am and 2.15pm. We are holding the concert twice as space is limited in the hall. All the children will be singing at least two songs and both singing clubs will also be performing. We hope that you will be able to come along and enjoy the performance.

### Annual Pantomime

I am very pleased to tell you that we have booked M & M Theatrical Productions, a children's theatre company, to come to school on Monday 19th November to perform 'Robin Hood' to the whole school. The children have always thoroughly enjoyed their performances and it is a great way for the children to experience a live performance without the need to travel. To cover the cost of this Christmas treat it is necessary to ask a voluntary contribution of £4.40 per child. If you would like your child to see the performance please give your consent online, where payment can also be made ([www.schoolgateway.com](http://www.schoolgateway.com)).

### Children with asthma

In order for us to be able to look after children with asthma we are required to have a copy of their latest 'Asthma Plan' provided by their doctor or specialist nurse at their latest review. If your child has asthma, could you please give a copy of the plan to the office (we can photocopy this if necessary) and if your child's plan is updated please inform us of any changes. Please could you also ensure that the inhaler your child keeps in school is labelled and in date.

### Parking and driving – Castle Lane

Unfortunately we have had concerns raised this week by residents in Castle Lane about cars being parked dangerously at drop off/collection times and cars driving too fast. If you need to park on the road please could I ask you to be considerate of our neighbours by avoiding blocking their entrances and not parking dangerously on corners of junctions. If possible could you please park in the village hall car park.
