

# Woodbury C of E Primary School

## Flier 35

28<sup>th</sup> June 2019

### Dear Parents

#### Federation Consultation

On behalf of the governors, thank you to everyone who has contributed feedback about the proposal. The consultation period finishes on Monday 1<sup>st</sup> July, so if you wish to submit any feedback please do so over the weekend.

The governing bodies of both schools will be meeting on Tuesday 2<sup>nd</sup> July to decide an outcome. Should both governing bodies agree to federate the name of the federation has to be decided at the same meeting. If you have a suggestion for the name, please can you email it via [consulation@woodbury.devon.sch.uk](mailto:consulation@woodbury.devon.sch.uk), so that it can be considered.

#### Class Assemblies

This week we have been treated to two brilliant assemblies, one from Beech class and the other from Chestnut class. The younger children retold the story of The Very Hungry Caterpillar and shared a film of their version of Superworm. The older children presented their highlights of their school year as a series of sketches in a TV show, with much humour. It was lovely to see the way in which all the children supported each other, the confidence with which they performed and the pride in their achievements.

**Cherry Class** will be showing their class assembly on **Monday 15th July at 9.10am**, which all their parents and family members are warmly invited to come and see.

#### Hot Weather

Please could you make sure that your child comes to school wearing sun cream and brings a sunhat to wear at break times and for outdoor lessons. They also need a refillable bottle with water to drink during lessons.

#### Thank you

A huge thank you to Ruth Driesen and Ali Ayshford for their time gardening and sorting out the wildlife area and allotment. If anyone else can come in on an ad-hoc basis this term or next to help keep on top of the weeds it would be a great help.

#### Congratulations to Chestnut Class

It has been lovely to see how the children in Year 5 have worked together to organise the cake stall for 4Oceans and WWF. They raised a very impressive £60 and have inspired other children in the school to take the initiative and do something for a cause which matters to them.

#### Parent Open Evening: Monday 8<sup>th</sup> July

The children's work will be on show in their classrooms on Monday 8<sup>th</sup> July after school until 5.30pm. Please take the opportunity to come and see what they have done. By then you will know who your child's next teacher will be so this is also an opportunity to meet them as well. Please note that rounders and circus skills clubs will not run on this day.

#### Reports

The teachers are currently writing the annual reports, which we are aiming to have ready to send home on 12<sup>th</sup> July.

### **Class visits**

Over the last two weeks there have been an array of visits which the children have enjoyed and gained a great deal from. Cherry class have visited Riverford Farm, Oak class have been studying Exmouth and Ash class have visited Exeter Cathedral for a workshop and also learnt Lifeskills at an event at the Donkey Sanctuary as part of their transition program. Today Beech class are enjoying a day at the Exmouth Forest School. Soon Maple class will be visiting the Plymouth Aquarium.

### **Woodbury School PTFA 100 Club**

Thank you to everyone who has supported the 100 club. The lucky winners for April and May are:

#### April

1st Prize Number 72 Paul Ayshford  
2nd Prize Number 23 Kristina Czipri  
3rd Prize Number 18 Henry and Linda Freeman

#### May

1st Prize Number 62 Dolly Youldon  
2nd Prize Number 3 Charlotte Lewis  
3rd Prize Number 35 Naomi Cox

Have a lovely weekend

Mrs Sparks  
Head Teacher
