

Woodbury C of E Primary School

22nd November 2019

Friday Flier 11

Dear Parents,

Woodbury School has been a great place to be this week! Monday could not have started better with everyone enjoying a brilliant performance of Beauty and the Beast. M&M Productions are always fantastic but this year was possibly the best show ever – with a lively performance, involving high energy singing, a lot of jokes and with the traditional tale having a happy ending.

Building Learning Power Super Hero Day

The BLP Super Hero Day was both successful and great fun. The children took part in a range of activities focussing upon different learning muscles. The children evaluated how strong each of their muscles are and have thought about ways in which to make them even stronger. Thank you for the amazing costumes.

Children in Need

Thank you for your support last week, altogether you have raised £206.01.

Dropping off children

If you bring your children to school by car, please could you park away from the school entrance when you drop them off. The area is very busy and children and parents need to be able to cross the road safely.

Key Stage 1 Nativity Tickets

Next week the tickets for the Nativity, in the form of programmes, will be sent home, with a ticket for each performance being allocated to each family in Key Stage 1. You are free to swap your tickets with other families or return any that you do not need to the office so that any spares can be issued to people who have requested extra, on a first come basis.

Dodgeball Tournament

On Wednesday a team of children from years 3 and 4 took part in a friendly tournament against Beacon and Marpool Primary Schools. The children had a great time, were excellent ambassadors for the school and ultimately achieved a decisive victory.

Wishing you a lovely weekend,

Mrs Sparks
Head Teacher

PTFA New Flash

We held a successful second hand uniform sale last week and many thanks to those both helping and attending. We will hold further sales in the new year.

Things to look out for:

NON UNIFORM DAY -next Friday 29th Nov in exchange for 2 items of bottles or chocolates per child to add to the tombola at the Festive Friday

JOLLY JARS- fill a jam jar with anything you choose to add to Ruth's Jolly Jars for the festive fair. We will start collecting soon.
