

Woodbury C of E Primary School

Flier 18

25th January 2019

Dear Parents

It has been a great week in school. A number of my colleagues from local schools visited this week and they all commented upon the children's excellent attitudes to their learning as well as the standard of their work and behaviour – a real credit to themselves. I have also enjoyed visiting the children who are taking part in the clubs. I have been shown how to do the challenges in Times Tables Rocks and loved listening to the singing from the Performing Arts club. Thank you to all my colleagues who are running these.

Mental Health Workshop

Thank you for all the requests asking for a repeat of the workshop which was held in school this week. Mrs Vernon will lead a further workshop on an evening in the near future.

Compassion

As you may be aware we are focussing upon the value of Compassion this half term. Below is a poem the children have looked at to help them understand this value. I hope you like it too.

Costly caring
Offering help
Making a difference
Putting others first
Always listening
Sensitive to suffering
Service in action
Interested in others
Offering care & concern
Noticing a need

Singing Concerts

This term's singing concerts will be on Wednesday 13th February, at 9.10am and 2.30pm.

Wishing you a lovely weekend

Mrs Sparks
Head Teacher
