VALUE

Our Value focus for this half term is **Trust**.

When I am afraid, I put my trust in you. PSALM 56:3

Dear Parents and Carers,

Thank you

Thank you so much to a group of parents who have transformed our pond area over the last two weekends. They have ripped out the old decking, laid new decking and landscaped the area. Rotten fencing posts and the entrance gate have also been replaced. The pond has now been filled and the next step is to add plants to the area to make it a haven for wildlife. Once completed the children will be able to use the area.

Thank you very much to Ruth and Jorik Driesen, Iain Stevens, Brendan Rawlings, Helen Playfair and Emma Finnegan. Also a huge thank you to Ross and Ruth Matthews who donated the decking, wood and materials as well as building the deck.

School Photos

The Tempest Photographer has been booked for **Monday 24th May** to take class group photos. Please ensure your child has the correct uniform and their green school jumper

Scooting and Biking to School

We have been alerted by Woodbury residents that not all children from the school are scooting and biking safely and there are concerns that children are putting themselves in danger or could potentially cause an accident. It is essential that you are confident that your child is safe to scoot or bike to school by themselves, and if not then they must be supervised to avoid any accidents. Thank you.

Church Logo Design - Reminder

The White Cross Mission have invited the children to help design a new logo for them, which they could use on all of their letters and posters, as they think the current one needs updating. They are a group of 7 local churches: Aylesbeare, Farringdon, Clyst St Mary, Clyst St George, Exton, Woodbury and Woodbury Salterton. Below is the current logo, but they have said that there are no boundaries, so please be as creative as you like. They would like any entries to be handed into school by Friday 28th May.

Parent Workshop provided by Devon County Council

A free, informal workshop for parents and carers to consider the links between behaviour and speech, language and communication needs. This event will be held virtually on Tuesday 15th June 2021, 10am – 12pm

Does your child have difficulty with:

- Listening?
- Attention?
- Communication?
- Friendships?
- Literacy?

The session will aim to raise awareness of speech, language and communication needs (SLCN) and consider the impact on a child's social, emotional and mental health (SEMH). SLCN can become apparent through a child's behaviour in a variety of ways and we shall provide further insight into these complex links.

The session provides an opportunity to share ideas about what works for you and a chance to discuss and learn from other parents/carers. To book your free place, please contact: Sue Vanstone (01392)287355

End of term date amendment for July 2022

The May Bank Holiday Weekend will be moved to Thursday 2 June 2022 and an additional Bank Holiday on Friday 3 June will see a four-day weekend to celebrate Her Majesty the Queen's Platinum Jubilee - the first time any British monarch has reached this historic milestone!
