Autumn Term Issue 10 Date: 20th November 2020

VALUE

Our Value focus for this half term is Generosity.

'In everything I did, I showed you that by this kind of hard work we must help the weak, remembering the words the Lord Jesus himself said 'It is more blessed to give than to receive'

Acts 20 verse 35

Dear Parents and Carers

Anti-bullying Week

The children started the week by wearing odd socks to school and in class have had assemblies, lessons and discussions following this year's theme of 'United against Bullying'. The School Council leaders are preparing an anti-bullying leaflet for the children which will be sent home when completed for you to look through with your children.

Stained Glass Pictures

Linked in with the Living Advent Calendar, children have been asked to display a stained glass picture in their home window to bring the community together. If your child would like to participate in this, please let us know by emailing admin@woodbury.devon.sch.uk and we will distribute the necessary items for them to complete their picture.

Living Advent Windows

Next week we will be busy preparing for our *opening night of 3rd December at 5.00pm*, this year each class will be making something for the window. Like last year, I have been informed that the school will be receiving half of the money raised in support of developing outside areas and our animal ark. Maps will be available to buy from the front gate, alternatively you can send your child in with 50p and they will collect a map from their class teacher. The living advent window has been running in Woodbury for a few years now and is a lovely way of bringing the community together, and I think we need this, now more than ever, so please support this venture by buying a map and taking the time to explore the village to see each window.
