

Woodbury C of E Primary School

29th November 2019

Friday Flier 12

Dear Parents,

I'm not sure where this week has gone – so much has been happening in school! The children have begun preparing for the Christmas services so in the office we are being treated to hearing some exquisite singing as we work. I have enjoyed working with children in several classes and have taken the opportunity for the children to tell me about their learning, how they have improved as learners and what they are going to do next.

Tombola Donations

Thank you for all the donations of bottles, chocolates and sweets - further donations can still be left with the office. Thank you to Steve Fordham and the Fordham family for organising this, it is always a very popular event.

Living Advent Window

Mrs Bowen has spent many voluntary hours working with children in all classes creating our Advent Window. The children have painted the paper, cut out and created the figures under expert guidance. The display is beginning to be assembled and it is going to be officially unveiled and lit up on Tuesday 3rd December at 6pm. A huge thank you to Mrs Bowen for creating such a spectacular masterpiece and giving the children such a sense of achievement and enjoyment.

Lost Property

Thank you to Ruth Driesen for sorting out the lost property, much of which has now been returned or claimed. There are still some shoes and a jacket and any unnamed items have been given to the PTFA to sell next term

KS1 Nativity Tickets

The children in KS1 will be bringing home their nativity letter and tickets on Monday.

Wishing you a lovely weekend,

Mrs Sparks
Head Teacher

PTFA New Flash

Many thanks for all your donations for the tombola for the festive fair, they are all very gratefully received. There will be a tombola box in the practical area if you would still like to add something over the next 2 weeks.

Jolly jars

We will have a jolly jars stall at the fair and will start collecting from next week. Jolly jars are simply jars filled to the brim with fun things of your choice, that could be sweets, beads or sprouts or anything you think someone might like to win! Fill the jar, decorate it and hand it to your class teacher. The class with the most jars wins £15 for their own class wet play equipment, and the jars are raffled at the fair.

Woodbury Living Advent Calendar

Advent is nearly upon us and we will soon be starting the Living Advent around Woodbury for the 2nd year. Buy a trail map from the office, and follow the route around the village, with new windows opened every evening at 6pm. Half of the money raised from selling maps will be donated to our school. Come and see the school's beautiful window on 3rd December.
