

Home Learning Classes 3 and 4
Year 1 'Superheroes'
Autumn Term 1 2020

Here are some exciting activities to complete at home together this term. When you have completed a task, please could you take a photograph and email into school using the email admin@coalway-inf.gloucs.sch.uk. Your child's Home Learning will display on our class display.

We are recapping our numbers to 10/20. Can you practice reading these numbers around your home and on your way to school? E.g. door numbers, road signs, car number plates. You can even play a board game to practice your counting skills E.g. Snakes and Ladders. We would love to see photographs of you counting and practising your number formation! Don't forget you can use sticks, sand, stones, chalk and soil. Make sure you tidy up your mess-and have fun!

Write a diary for a week showing us how you have used your superpowers to help at home. This could be washing up, dusting, cleaning your room, gardening etc. We would love to see pictures or photographs of these online.

Design and make your own superhero cape. Think about different materials you could use, colours and patterns.

Will it have a superhero symbol?

This term we are recapping our Phase 2 and 3 sounds. Please follow the link below to access a short video to help you practice your sounds at home.

Phonics: How to pronounce pure sounds | Oxford Owl
