Year 2 - Autumn Term 1

Homework Activities Here are some exciting activities to complete at home together this term. When you have completed a task, bring it in and we will share your work and display it in the classroom. Please try to complete at least 3 of the 6 tasks below before the end of term, Thursday 24th October. We really look forward to celebrating the work you have done at home. If you need any resources please ask Mr Hook or Miss Screen.
