

## Aliens Love Underpants

This term Classes 1 and 2 will be learning through stories. Please choose at least 3 of the following home learning projects to complete before the end of term. As soon as any task is completed send it in to school – all work will be treasured and displayed on a special homework board in the classroom. (Please let us know if you need anything to help your child complete a task). Remember – it's okay for the children to ask an adult to help them write or write for them if needed. The children can use the internet to help them as long as an adult knows they are doing so.

Read your favourite alien story book in a funny or exciting place. Bring in a photo or tell us all about it.

Invent an alien and draw a picture of it. Ask an adult to help you label your picture.

Use Purple Mash to complete some of the suggested Reception activities.

Go on a walk near your house. Draw and label some of the things you see so that aliens will understand Earth!

Make a paper plate alien mask. Make up a name for your alien.

Use GoNoodle to teach someone at home the Banana, Banana, Meatball dance. Bring a photo of you all dancing.
