

Alien Landing

Year 2 - Term 3

We have been thrilled by the homework that you completed in Terms 1&2.

What superstars you are!

This term you have new and exciting homework activities. When you have completed a task, bring it in and we will share your work and display it in the classroom. Please try to complete at least 3 of the 6 tasks below before the end of term, **Friday 15th February**.

Art

You are going to meet some aliens on another planet. What 10 things would you take as presents for them? Draw them in a gift box.

Design and Technology

Bake your own space themed cookies or biscuits. They could be star, rocket or planet shaped.

Art/ Design and Technology

Use scrap paper, foil, sweet wrappers and other junk from around the house to create your own space collage.

Science/ English

Keep a sky at night journal for a whole week. Write about everything you can see in the sky.

Geography

Design a grid with co-ordinates. Draw on each of the planets in the solar system.

Mathematics/ Design and Technology

Design and build a rocket using junk modelling.
