Dear Parents/Carers,

Birthday Celebrations at Ringway Primary School

We have seen a lovely idea from another school and we think it is really special that we would like to introduce at Ringway.

As a result of the current Covid restrictions, many children are missing out on celebrating their birthday with family and friends as they usually would as parties and gatherings are currently not allowed during this time. We understand our children have already had so many changes and have had to adapt to new rules and regulations both at home and school, and their emotional well-being is something that is very important to us.

Therefore, we would like to give them the opportunity to celebrate their birthday in school with their class friends. We have decided that we will hold a birthday party within each class on the last Friday afternoon of each month, this will be to celebrate all children who have had/will be having their birthday that month.

All children will have their school dinner/ packed lunch as normal. During the afternoon (see dates below), school will provide activities, snacks/treats and a party atmosphere. All of the party costs will be covered by school however, any donations that you feel able to make would always be appreciated (such as individual packets of sweets/ bought packs of cakes). Children who are celebrating their birthday that month are allowed to come to school dressed in their party clothes to celebrate their special day.
