School Message

What a lovely week. The children have all been working very hard and I have seen some excellent writing as I have walked around the school. I was delighted to chat to one of the mums about how she is learning the times tables with her little boy at the moment. He is in year 2 and this practice at home will really help him as he moves through the school. Thank you to all of you who are helping your children to learn their tables and spellings and are reading with your children each night. This is the main homework for pupils in years one to four and it is the key to success in the future.

Thank you so much for your help on Thursday. The first 'pour' of cement was successful – we will be having another delivery soon so will keep you posted.

There are lots of clubs on offer this term please ensure your children sign up as they start on Monday!

Have a lovely weekend.

Best wishes,

Nicki Smith
