

People of God: What is God like to follow? - Year 3

What should we be able to do:

- Make clear links between the story of Noah and the idea of covenant - promise.
- Make simple links between promises in the story of Noah and promises that Christians make at a wedding ceremony.
- Make links between the story of Noah and how we live in school and the wider world.

What words should we understand and be able to use?

Ark - (in the Bible) the ship built by Noah to save his family and two of every kind of animal from the Flood; Noah's ark.

Covenant – an agreement / a pact / special promise.

Forgive / Forgiveness - stop feeling angry or resentful towards (someone) for an action or mistake.

Noah – In Genesis, Noah faithfully built an Ark at God's command, ultimately saving not only his own family, but mankind itself and all land animals from extinction during the Flood. Afterwards, God made a covenant with Noah and promised never again to destroy all the earth's creatures with a flood.

Promise - a promise is saying that you will do something, you say to someone that you will definitely do it.

Symbol - a thing that represents or stands for something else, especially a material object representing something.

Responsibility - being dependable, making good choices, and taking accountability for your actions.

Old Testament – the first part of the Christian Bible.

Wedding - a marriage ceremony where promises are made.
