

Art at Georgian Gardens Primary School

Knowledge

Children of Georgian Gardens will:

- Have an understanding of different medias.
- Recognise and appreciate a wide range of artists and art work.
- Understand different cultures and how artwork varies between them.

Skills

Children will develop a variety of skills, including:

- Learning how to express themselves through art.
- Describing, evaluating and reflecting upon their own art, the art of their peers, and the work of artists.
- Using different tools and techniques competently.
- Using different tones, colours and effects appropriately.
- Explaining and justifying their preferences and choices.

Attributes

We aim for the children of Georgian Gardens to be able to:

- Be creative and imaginative.
- Find enjoyment in art and creativity.
- Have the confidence to experiment with artistic choices.
- Be adaptive and be able to make changes during an ongoing project.
