

Year 6

WEEK BEGINNING: 25th JANUARY

All activities will be set on Seesaw, with clear instructions. Please make sure your child watches all of the clearly linked teaching videos as they work.

I have added timings this week. I have had a few parents contacting me about how long the work is taking each day. My recommendation is for your child to complete the activity for the specified amount of time, and then they upload whatever they have achieved (whether that is the whole activity or only a small amount) to Seesaw. All children work differently and at different paces, and we as their teachers know this, so please don't worry!

	English activity	Maths activity	Grammar/Reading activity	Other curriculum subject	Other
Monday	IALT produce a non-fiction information page Listen to the lesson on Greta Thunberg, and produce an information page about her. 1 hour 30 minutes	Mini-maths Division facts activity 30 minutes	Guided Reading Weather, climate and climate zones text with questions 45 minutes	Global warming activism Design a sign that you would take to a protest about climate change. 45 minutes	French Qu'est-ce que tu fais le week-end? 30 minutes
