The Link Academy Trust Strategic Improvement Priorities

KEY IMPROVEMENT PRIORITIES for 2019-20

CHERITON BISHOP PRIMARY SCHOOL

Key Priority 1
Quality of Education
Further improve teaching and learning by redesigning the curriculum to ensure high quality education for all including PP and SEND children.
Ensure QFT is consistently achieved across all subjects.

Key Priority 2
Quality of Education
Science

Raise the profile of Science across the school with a focus in high quality scientific work and greater depth.

Key Priority 3
Quality of Education: Computing

Use improved hardwear and resources to provide a purposeful, exciting and relevant computing curriculum for all children including SEND and PP.

Key Priority 4
Leadership & Management & Quality of Education

Work closely with partner school Yeoford and engage in trust-wide curriculum hub groups. Enable Middle Leaders to impact on practice across both schools and within the MAT.

Key Priority 5
Personal Development, Behaviour and Welfare

Further embed the Jigsaw PSHE scheme to ensure that Mental Health and Relationships are effectively explored and taught and ensure the requirements of the new SRE legislation are met .

Key Priority 6

Pre-school

Lower the school age

(to include 2 year olds) and continue to build links and strengthen relationships which allow preschool to maintain their identity whilst becoming part of the school.
