Friday 5th June 2020

Dear All,

The staff and I have very much enjoyed re-opening the school this week. It is so lovely to see everyone! The children have settled quickly into the new systems and routines and we believe they have enjoyed school and felt safe.

Thank you to all of you for being punctual at the beginning and end of the days and for taking due care with social distancing. It really has helped us to maintain the staggered timetable and very best levels of safety for children, staff and you.

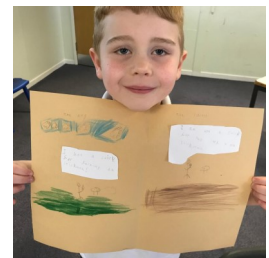

As I have previously said, the systems are likely to need to change over time. I want to make you very aware that as things move forward and more children take up places in school, or if the government ask us to take further year groups, there will be changes. We will need to plan carefully how we maintain **Bubbles of 15** as per the guidelines. Ultimately this is extremely likely to mean **part-time timetables**. We will of course keep you informed with regular updates, should we need to alter timetables for the children. It is our intention to have as many children as required in school, as regularly as possible.

Thank you to everyone who has emailed to confirm the places needed for next week. These have now been allocated and planning is now starting for the week commencing 15th June, so please let Mrs McCracken know when places are needed for that week anytime before mid-day on Wednesday 10th June.

LIFE IN A BUBBLE SCHOOL!

The staff have made every effort to make this work. They have shown energy, enthusiasm, passion and positivity. The children have taken part in some super learning activities. Here are a few photos to give a taste!

MRS MARTIN'S ZOOM-ATHON

Mrs Martin has kindly offered to trial running some Zoom calls starting on Monday 8th June.

On the day of the call, Mrs Martin will post the meeting ID and password into the children's Eschool account or for Reception, by email. Children are invited to join Mrs Martin and their friends for a natter and a catch up.

Monday 8 th June	3pm – Year 6
Tuesday 9 th June	2pm – Reception
Wednesday 10 th June	3pm – Year 5
Thursday 11 th June	2pm – Year 2
Friday 12 th June	3pm – Year 4

Have a lovely weekend.
Mrs Alex Waterman
