Dear All,

CONGRATUALIONS TO THE YEAR 6

We have been delighted with our Year 6 children this week. They have shown real perseverance, determination and positive attitudes towards their statutory tests. It has also been lovely to see how well they have supported each other before and after the tests.

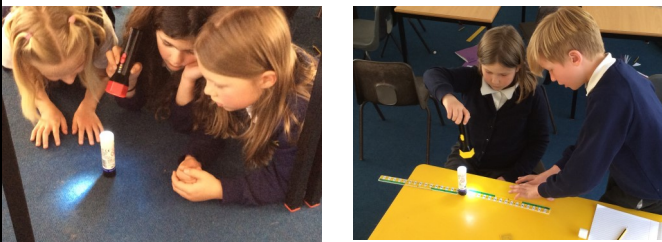

A big thank you to all staff who were involved with this process, be it running SATs club, helping to prepare and serve the Year 6 children a special breakfast or packaging papers at the end. Thanks also to our governors for their support in this process.

MORE REDUCING AND RECYCLING WITH CLASS 4

This week class 4 have started making their designs using waste materials. They have also begun building a life size igloo out of milk cartons.

CLASS 3 EXPERIMENT WITH LIGHT AND SHADOWS

The children in class 3 have been experimenting with light. Here they are finding out how shadows would change as a person walked under a street light. They have also considered how shadows change throughout the day. It's lovely to see how enthusiastic they are about their science work.

PTFA REMINDER—PLEASE VOTE!

The Calor Crowd Funding application for a new timber play hut, fort and clatter bridge for the playground is now open for voting. The top 20 projects with the most votes get £5k, the next 12 get £2500 and the next 10 get £1000. To vote for our project you need to go to www.calor.co.uk/shop/communityfund and register. You will get 10 votes - please spend them all voting for us as it is worth £5000! (There is a drop down box next to the voting button where you say how many votes to cast). Everyone you know with an email can vote too, as long as they are over 18, so please encourage family and friends as well as work colleagues and anyone else you can think of to vote for us - share the link to our voting page on your social media. Voting closes on Monday 17th June. Our project is called 'Outdoor Community Space'. Search for it on the Calor community fund page and vote for us! To support the application we have created a crowdfunding page which you can find and donate towards the out door space improvement project at www.crowdfunder.co.uk/outdoor-community-space
